Lockers

Students in Year 7, Year 10 & Year 11 have all been offered lockers near their bubble area. Next week we will complete this for Year 9, and Year 8 will be completed by half term.

It is the students' responsibility to use their lockers at a suitable time before/after school, during break or lunch. Students cannot go to their lockers during lesson time. For example, a student needing their PE kit needs to plan ahead so that they already have their kit when they arrive to lesson.

Students can get help with lockers from the Library, who have spare keys and can set up lockers for students who don't have one.

- Year 7 can access the Library on Thursdays (break/lunch/after school)
- Year 8 can access the Library on Fridays (break/lunch/after school)
- Year 9 can access the Library before school each day and on Tuesdays after school.
- Year 10 can access the Library on Wednesdays (break/lunch/after school)
- Year 11 can access the Library on Mondays (break/lunch/after school)

BTEC Sport exams

We are very proud of the turnout from Year 11 BTEC Sports students in their revision sessions. They are working hard in advance of their on-screen exams during the last week of this half term. There will be another revision session next week. Good luck to those in Year 11 taking this exam.

Building news - new Sports Hall floor

Work is now complete on our brand new sports hall floor. The vibrant blue new floor will be great for indoor sports as the weather gets colder.

Year 7 settling-in evening

Thank you to those parents who responded to our Year 7 settling-in evening survey. As a result of this we are making arrangements to welcome some parents in COVID-safe way for face-to-face meetings (we will confirm exact times on Monday). Also, we will be contacting other parents by phone and email to answer their queries. Our Year 7 team (LPSOs Ms McClean and Mr Egalton and Assistant Vice Principal Ms O'Connor) can be contacted at manc-y7@coopacademies.co.uk if you have any queries as your child settles in to secondary school.

Green Flag award

The academy recently achieve the Eco Schools Green Flag award, celebrating our work in helping the environment. You can find out more at <https://manchester.coopacademies.co.uk/stories/greenflag/> (<https://manchester.coopacademies.co.uk/stories/greenflag/>).

Tackling COVID-19

A big thank you again for all your support (and your child's support) in helping to tackle the virus. Students should continue to bring their own mask to wear in communal areas, to wash/sanitise their hands regularly using the facilities provided, and to keep a distance from other bubbles.
